Digest of Constitution

1.—THE LINCOLN FELLOWSHIP is an association of writers, publishers, collectors and others especially interested in the life, character and fame of Abraham Lincoln, for mutual assistance in their several efforts to perpetuate his memory, to inspire others by his example, to keep alive his principles and patriotism and for such joint action to that end as the majority may favor.

2.—Any person approved by the Executive Committee may become a member upon application and upon paying a membership fee of One Dollar (\$1.00), and shall continue as a member as long as he shall pay to THE FELLOWSHIP or to one of its subsidiary bodies One Dollar (\$1.00) per annum.

3.—The members shall elect annually a President, Vice-Presidents, a Secretary and a Treasurer, who shall constitute the Executive Committee, which shall have general charge of the Society's affairs, but shall be governed by any vote taken at a meeting duly held. No salaries or other compensation for services shall be paid and all officers shall continue in office until their successors are chosen.

4.—The annual meeting shall be held on February 12th of each year, or if that date falls on Sunday then it shall be held on February 13th. All other meetings and entertainments shall be left to the judgment of the Executive Committee as to time, character and place. Members unable to attend any meeting may send communications to be read at the meeting.

5.—The members, with the approval of the Executive Committee, may form local organizations or Sections devoted to particular objects, each organization to provide its own funds and expend the same at will, but to report its doings at the annual meeting. THE FELLOWSHIP shall not be responsible for any undertakings of a Section unless it expressly assumes the same.
